Disclaimer

NAV TV (Europe) Ltd is not liable for any incidental, consequential or indirect damages. In case of erratic behavior of the vehicle's electrical system please disconnect the NAV TV product and contact our technical support Team. NAV TV (Europe) Ltd does not assume liability for any diagnostic fees.

LOCATION & REMOVAL

Installation is made at the factory TV Tuner.

Locate TV tuner in the left hand side of the boot for Audi and VW models, or on the boot ceiling panel for Bentley (see below)

INSTALLATION

1. Pull out the Large 54 way connector from the TV tuner
2. Insert the NAVTV Harness (blue plug) into the gap in the 54 way connector, or if populated insert the NAVTV plug in place of the factory plug with corresponding pin numbers
3. Plug the 54 way connector into the TV tuner
4. Connect Audio and Video leads as labelled

Labelled RCA plug is the visual input

Red RCA is the right audio

Black RCA is the left audio

AV1 and AV2 are labelled

OPERATING INSTRUCTIONS

The additional A/V source you have added can be viewed via the TV tuner menus, then A/V or AUX option.
